

Beginning Welding

Northcentral Technical College (NTC) will be hosting a beginning welding course designed to help you learn the proper welding techniques in a variety of processes.

The course will serve as an introduction to the following processes of participants choice: Shielded Metal Arc Welding (SMAW), Gas Metal Arc Welding (GMAW), Oxy-fuel welding, cutting and Plasma Cutting.

The sessions will feature customized instruction in specific areas of interest. This provides the most flexibility for you to learn in the areas that you most prefer.

BEGINNING WELDING

Tuesdays, Wednesdays and Thursdays
March 22 - April 7, 2016; 5:30 p.m. - 9:30 p.m.
\$170

Class #66545
