### ***Talent Development – Onboarding & Retaining Millennial Employees***

#### **Onboarding    Retention**

- |   |  |
|---|--|
|  on-the-job training         |  continue developing employees    |
|  early feedback and guidance |  feedback and recognition         |
|  jump on the great culture   |  give employees purpose           |
|  provide the right tools     |  upgraded technology              |
|  be included with the team   |  have positive work relationships |

Onboarding new employees is a secure investment that will assist newly hired employees in developing their skills, knowledge, and value within the company. It will help match the technically skilled Millennial workforce with new and emerging needs of your company, which gives your company an advantage within the market. Please attend both sessions for Onboarding techniques & Retention strategies.

**When: Thursday July 28<sup>th</sup> & August 11<sup>th</sup> 2016**

**Where: Northcentral Technical College – Antigo Campus, Room # WT-108A**

**Time: 8:00 a.m. – 10:00 a.m.**

**No Fee**

**Registration: Visit [www.ntc.edu/langlade](http://www.ntc.edu/langlade) to RSVP**

**Or contact Maggie Coakley at 715.803.1033 or at [coakley@ntc.edu](mailto:coakley@ntc.edu)**
