PUBLIC SERVICE ANNOUNCEMENT

Langlade County fully supports the State issued travel ban imposed to reduce the impact of COVID-19. Due to the uncertainty of when the travel ban will be lifted, the County has established this tentative rule for accepting 2020 camping reservations. This rule may be changed at any time and applies to all County camping sites at Veterans Memorial and Camp Susan. All bathrooms at parks and waysides will also be closed during the time period for this tentative rule.

Rule: To comply with State directives in regard to COVID-19, the County has suspended taking reservation until Veterans Memorial Park opens on May 21st. Reservations previously made for the 2020 camping season will be honored. It is understood that the parks may be closed at any time and the deposits returned. Deposits could also be used for rescheduling of a future date.

For information regarding Veterans Memorial Park, please call 715/623-6214.

For information regarding the status of Camp Susan Rentals, please call the Extension Office at 715/627-6236.

The County is sorry for this inconvenience and appreciates those affected for their understanding during this difficult time in trying to accommodate the public's needs while trying to protect everyone's health at the same time.
